

A private membership at affordable rate...

Glen Brook has made great strides in building a new membership platform. Throughout our golf season, our membership had the opportunity to experience a new level of attention to detail and exciting new tournaments such as our annual Member-Guest. We are doing more every year!

We have modified the golf course by creating more teeing areas as well as contouring the golf course to enhance its playability. We will be adding more natural areas and continue to shape Glen Brook into a player –friendly, championship caliber course.
